

Communication Outreach Plan

In addition to people with developmental disabilities and their families, all materials and communication developed should be adapted for and provided to all stakeholders including SSA's, providers, family organizations, etc.

What	Audience	How	When	Notes	Updates
Outreach to Vocational Habilitation Providers	Providers of Vocational Habilitation affected by changes	Phone or in-person meetings	8/2018-10/2018	Have preliminary information available for providers to share with families	Coordinated phone calls to all 298 vocational habilitation providers who have billed in the last 18 months.
Communication with Family and Advocacy Organizations	Arc of Ohio, People First, OSDA and Olmstead Taskforce	Phone Calls, Family Organization Forum (Sept 25), etc.	9/2018 Ongoing	Reach out directly to family and advocacy organizations to share this information and outreach about recent communication. Attend meetings, events, and share communication materials.	<p>People First - DODD will be meeting with Board in October 2018.</p> <p>OSDA - DODD met with Board in August. Additional meetings are scheduled for October and November 2018.</p> <p>Olmstead - Contact will occur in September 2018</p>
